

CLARK COUNTY WASHINGTON

DEVELOPMENT PROJECTS WEEKLY REPORT

August 30, 2006

This weekly report provides a listing of new development projects proposed in Clark County. These projects are under review by the Community Development Department. To research or track a specific project, it will be important to have the project name and case number, which are determined when an official application is submitted. Project names and numbers are listed when a project first appears in the weekly report as a Type II or Type III proposal, as shown below. Projects that are new to the report this week are indicated with a "★".

The applications and proposed plans, staff reports, and final decisions for projects listed below are available for public review at our offices. These may also be viewed at our Web site at www.clark.wa.gov/commdev/development/index.html then click on Proposed Developments or Meetings and Hearings.

If you have questions about a particular type of permit and the review process, you may go to our Web page for an information handout for each type of permit. To view handouts at our Web site, go to www.clark.wa.gov/commdev/development/typespermits.html. You may also request a copy of these materials at our offices.

NEW PROJECT PROPOSALS (*Pre-application conferences*)

The department requires a pre-application conference before it will accept a formal application for projects that require public notice and may require public hearings. This provides an opportunity for the property owner and/or developer to explore the situation with county staff. Members of the public may attend and listen to the discussion. The schedule does not allow for public comment at that stage, however.

☐ **PROPOSALS FOR PUBLIC HEARING (Type III review)**

Type III development applications require public notice and public hearings. The Community Development Department reviews each Type III proposal and prepares a staff report with recommendations to a land use hearings examiner. The examiner will conduct a public hearing to determine whether a proposal meets relevant codes and requirements. This process may include approval, approval with conditions, or denial. Type III decisions may be appealed to the Board of Clark County Commissioners. A decision by the Board of Clark County Commissioners may be appealed to the Clark County Superior Court.

The following projects are scheduled for public hearings. The public is invited to attend and provide testimony. Written comments may be sent to Community Development offices before the hearing date: Clark County Community Development, PO Box 5000, Vancouver WA 98666-5000; (360) 397-2375; Email: comdev@clark.wa.gov.

☐ **ADMINISTRATIVE DECISIONS (Type II – includes public notice)**

Type II projects require public notice and county staff approval. They do not require public hearings. The Community Development Department determines whether Type II proposals meet relevant codes and requirements. This process may result in approval, approval with conditions, or denial. Type II decisions may be appealed first to a land use hearings examiner and later to the Board of Clark County Commissioners. Appeals of Board of Clark County Commissioners decisions may be made to Superior Court.

The following projects show administrative decision dates. Any appeals of these decisions must be filed within 14 calendar days of the decision date. The appeal may be filed at the Customer Service Counter on the first floor of the Clark County Public Service Center, 1300 Franklin Street, Vancouver. The appeal may also be mailed to: Clark County Community Development Department, Development Services Division, P.O. Box 9810, Vancouver, WA 98666-9810.

□ **ADMINISTRATIVE DECISIONS** (*Type I review – routine staff review*)

Type I applications involve minor changes. They do not require public notice or public hearings and may be handled “over the counter” as a matter of routine. Projects in that category are not listed here. Type I decisions may be appealed first to a land use hearings examiner and later to the Board of Clark County Commissioners. Appeals of Board of Clark County Commissioners decisions may be made to Superior Court. For more information, contact our office at (360) 397-2375 ext. 4489.

□ **APPEALS**

Administrative decisions (Type I and Type II) may be appealed to a hearings examiner. If a project is appealed, the examiner will hold a public hearing to receive testimony on the appeal issues. The examiner’s decision on the appeal may be appealed to the Board of Clark County Commissioners.

Type III decisions by a hearings examiner may be appealed to the Board of Clark County Commissioners. Appeals must be mailed or taken to the Board of Clark County Commissioners, Clark County Public Service Center, 1300 Franklin Street, Vancouver, WA 98660. The commissioners will consider appeals in public meetings. They will not receive testimony on the appeal. For more information, please refer to the *Appeal* handout on our Web site. It is located at www.clark.wa.gov/commdev/documents/devservices/handouts/22-appeal.pdf.

Decisions made by the Board of Clark County Commissioners may be appealed to the Clark County Superior Court. Appeals to the Clark County Superior Court must be sent to Clark County Clerk’s Office, P.O. Box 5000, Vancouver, WA 98666-5000, (360) 397-2292.
